SCIENCE FAIR-2025

On 28th & 29th, August 2025

Notice of Two-Day's Science Fair - 2025

Date: 21st August, 2025.

All the students of the College of Education, Barshi, are hereby informed that the college in collaboration with AGASTYA International Foundation, Bangalore is organizing a Two-Day's Science Fair on 28th & 29th August 2025 in the college campus. The Science Fair aims to encourage scientific thinking, creativity, and innovation among students. Various activities such as Science Model Exhibition, Poster Presentation, and Interactive Demonstrations will be conducted.

All B.Ed. and B.P.Ed. Students are required to participate actively in the event by preparing innovative models, posters, and assisting in organizing the fair. Attendance is compulsory for both days. All students are requested to give their names for participation to their respective class coordinators by **Dr. M.V. Mate.**

Venue: Atal Tinkering Lab & Sant Tukaram Hall.

Dates: 28th & 29th August 2025.

Science Fair 2025

On 28th & 29th, August 2025

Activity Report

Introduction:

The College of Education, Barshi, in collaboration with AGASTYA International Foundation, successfully organized a two-day Science Fair on 28th and 29th August 2025. The fair aimed at fostering scientific curiosity, creativity, and innovation among students while promoting hands-on learning experiences beyond the classroom. The event served as a platform to encourage future educators and young learners to think critically, experiment, and develop a spirit of inquiry.

Objectives:

The Science Fair was organized with the following objectives:

- 1. To encourage students to apply scientific concepts in real-life contexts.
- 2. To nurture innovative ideas and problem-solving skills.
- 3. To provide hands-on experiences through experiments, models, and demonstrations.
- 4. To promote scientific temperament and curiosity among prospective teachers and school students.
- 5. To strengthen the collaboration between educational institutions and science-based organizations like AGASTYA International Foundation.

Inaugural Session (28th August 2025)

The Science Fair was inaugurated by Mr. Jaykumar Shitole, Treasurer, Shri Shivaji Shikshan Prasarak Mandal Barshi, Prof. Dr. V. P. Shikhare, I/C Principal, College of Education, Barshi. and Mr. Pandurang Jadhav, Project Coordinator, AGASTYA International Foundation, in the presence of the Principal, faculty members, representatives from AGASTYA International Foundation, and invited dignitaries. The program began with a welcome address followed by a keynote speech highlighting the importance of scientific temper, scientific thinking in education.

AGASTYA representatives presented their vision and initiatives in nurturing creativity and innovation among rural and urban students.

Activities and Events:

1. Exhibitions and Demonstrations:

Over fifty innovative working and static models were presented by B.Ed. trainees and school students. Models covered diverse themes such as renewable energy, robotics, environmental conservation, human anatomy, digital innovations, and low-cost teaching aids. AGASTYA's Mobile Science Lab provided live demonstrations, hands-on experiments, and interactive learning sessions and demonstration on models.

2. Workshops and Interactive Sessions:

Workshops were conducted by AGASTYA experts on topics like STEM learning, problem-solving approaches, and creative teaching methodologies. Hands-on science experiments encouraged active participation and inquiry-based learning.

3. Competitions:

Model Presentation Competition was organized, where participants explained the working and application of their models. Quiz Competition tested the scientific knowledge and awareness of the participants. Poster Presentation allowed students to creatively express ideas on topics like "Sustainable Future," "Technology and Humanity," and "Role of Science in Education."

4. Cultural Integration:

To blend science with creativity, cultural performances with themes on environmental awareness and scientific progress were also presented by students.

The College of Education, Barshi, in collaboration with AGASTYA International Foundation, organized a Science Fair on 29th August 2025. The fair was specially designed for high school students across Barshi city, with the aim of cultivating scientific awareness, creativity, and hands-on learning experiences. The event acted as a bridge between classroom learning and practical application, inspiring young learners to explore the wonders of science.

To promote scientific curiosity and critical thinking among high school students. to provide a platform for innovation through projects, models, and experiments. encourage interactive and experiential learning beyond textbooks. to sensitize students about the role of science in sustainable development. Strengthen collaboration between educational institutions and science outreach organizations. Demonstrations included physics principles, chemistry reactions, and biology experiments, which engaged students actively. Students prepared creative posters on themes like "Science for a Sustainable Future," "Clean Energy," and "Technology in Daily Life." The posters reflected not only knowledge but also the artistic and critical thinking abilities of students.

Valedictory Session 29th August 2025 The concluding session included a reflection on the two-day journey of learning, creativity, and collaboration. Winners of competitions were felicitated with certificates and prizes. Guests and faculty appreciated the efforts of students and emphasized the importance of continuing such initiatives.

Outcomes of the Activity:

- Enhanced scientific outlook among student-teachers and participants.
- Strengthened collaboration between the College of Education, Barshi, and AGASTYA International Foundation.
- Improved presentation and communication skills among students.
- Inspiration for future educators to adopt innovative, activity-based, and experiential teaching methods.
- Participation of high school students from multiple schools in Barshi encouraged collaborative learning.
- Students gained confidence, communication skills, and hands-on exposure to scientific methods.
- Teachers and future educators (B.Ed. trainees) observed innovative ways to integrate activity-based learning in classrooms.
- Strengthened community bonding through institution-school collaboration.

Conclusion:

The Science Fair 2025 at the College of Education, Barshi, in collaboration with AGASTYA International Foundation, was a remarkable success. The two-day event created an engaging and dynamic platform for students to showcase their talents, fostered a culture of scientific inquiry, and highlighted the importance of creativity in education. Such initiatives not only enrich the teaching-learning process but also prepare students to face the challenges of the modern scientific world with confidence and innovation.

The Science Fair 2025, organized by the College of Education, Barshi in collaboration with AGASTYA International Foundation, proved to be an inspiring and impactful event for high school students of Barshi city. It not only enhanced scientific knowledge but also fostered innovation, teamwork, and creativity among young learners. The event truly reflected the mission of building a scientifically aware and empowered generation.

Principal
College of Education, Barshi
Dist. Solapur 413 411

Outcomes:

1. Enhanced Scientific Temperament:

Students developed a spirit of inquiry and curiosity by engaging with experiments, models, and live demonstrations.

2. Hands-On Learning Experience:

The Mobile Science Lab of AGASTYA provided opportunities for students to conduct experiments themselves, strengthening conceptual clarity.

3. Exposure to Innovation:

Through model exhibitions, students explored innovative approaches to real-life problems, such as renewable energy, waste management, and robotics and drone technology.

4. Improved Communication & Presentation Skills:

While presenting their models, posters, and quiz answers, students gained confidence in explaining scientific concepts in front of teachers, peers, and guests.

5. Teamwork and Collaboration:

Group participation in exhibitions and competitions fostered teamwork, peer learning, and cooperative problem-solving.

6. Awareness of Sustainable Development:

Posters and models on environment, clean energy, and health created awareness about sustainability and responsible citizenship.

7. Motivation for Higher Education in Science:

Interaction with B.Ed. trainees, teachers, and AGASTYA experts inspired many students to pursue further studies in science and technology.

8. Recognition of Talent:

Certificates, prizes, and appreciation motivated students, boosting their self-confidence and encouraging active participation in future academic events.

The **Science Fair 2025** which is organized by College of Education, Barshi created a vibrant atmosphere of learning and exploration for high school students of Barshi city. It successfully connected classroom knowledge with real-life applications and inspired students to see science as a tool for innovation, problem-solving, and societal development.

Dear Sir,

On behalf of Shri Shivaji Shikshan Prasarak Mandal, Barshi's College of Education, Barshi and the entire organizing team, I extend our heartfelt gratitude to you for your invaluable guidance, constant support, and dedicated coordination in successfully organizing the *Science Fair 2025*.

Your meticulous planning, timely communication, and sincere efforts ensured the smooth execution of every activity. The science fair has provided students with a meaningful platform to showcase their creativity, innovations, and scientific temperament. Your contribution has truly been the backbone of this successful event.

We deeply appreciate the time, energy, and enthusiasm you invested in this endeavor. Your leadership has inspired both the organizing committee and participants alike.

We look forward to your continued support and association in our future initiatives.

With warm regards and sincere thanks,

Yours faithfully,

Bhuhan

Gratitude Letter

To. Hon.Mr.Ramesh Hitnalli The Regional Experience Leader, (Maharashtra) AGASTYA International Foundation, Bangalore

Respected Sir,

On behalf of Shri Shivaji Shikshan Prasarak Mandal, Barshi's College of Education, Barshi, I wish to express our heartfelt gratitude for your valuable encouragement and support in making the Science Fair 2025 a grand success.

Your inspiring leadership and thoughtful guidance added immense value to the event. The school students and B.Ed.trainees were highly motivated by organizing such a grand event in our rural area. Your team enhanced the spirit of the program. They encouraged the young minds to pursue scientific learning with enthusiasm.

We are deeply thankful for the time and effort your team devoted to this initiative. The contribution of your team has been instrumental in ensuring the success of this collaborative endeavor.

We look forward to your continued support and guidance in our future academic and community-centered initiatives.

With sincere regards and gratitude,

Yours faithfully,

Shuhan Prin. Dr. V.P. Shikhare L/C. Principal
