Report of Educational Teaching-Aid Making Workshop

Introduction

Shri Shivaji Shikshan Prasarak Mandal, Barshi's College of Education, Barshi in collaboration with Agastya International Foundation, Bengaluru successfully organized an “Educational Teaching-Aid Making Workshop” on 22 July 2025 in the B.Ed. classroom. The objective of this workshop was to provide second-year B.Ed. trainees with hands-on experience in planning, designing, creating, and using various teaching aids required for effective classroom instruction.

Event Organization

Time: 10:30 a.m.

Venue: B.Ed. Classroom, College of Education, Barshi

The chief resource person was Agastya International Foundation, Pune Regional Volunteer Coordinator Mr. Pandurang Jadhav.

The program was presided over by the Principal of the college, Prof. Dr. Vishnu Shikhare.

Program Schedule

1. Lighting of the Lamp & Image Worship – Inauguration by the dignitaries.
2. Welcome Address – Prof. Dr. Ravindra Phure explained the objectives and importance of the workshop.
3. Introduction of the Chief Guest – Mr. Pranavsingh Holke introduced Mr. Pandurang Jadhav.
4. Keynote Guidance – Mr. Jadhav delivered a detailed talk on low-cost and innovative teaching aids, reuse of materials, and practical tips for classroom application.
5. Presidential Remarks – Dr. Shikhare emphasized that teachers must use such aids to make teaching more impactful.
6. Vote of Thanks – Proposed by Ms. Suchitra Gayakwad.
7. Anchoring – Conducted successfully by Ms. Sanika Babar and Ms. Yogita Godge.

Workshop Highlights

Practical Demonstrations: Mr. Jadhav showcased the preparation of charts, models, flash cards, puppets, worksheets, and multimedia presentations, demonstrating each step live. **Creation from Waste:** Special focus was given to making eco-friendly aids at minimal cost using paper, plastic, cardboard, bottle caps, and other recyclable items. **Group Activity:** Trainees were divided into groups to design and present their own aids for subjects like Mathematics, Science, Social Studies, and Languages. **Use of Multimedia:** Guidance was provided on integrating smart boards, projectors, videos, and animations into lessons.

Participation

All second-year B.Ed. trainees took part enthusiastically. Each group presented their finished teaching aids and explained their classroom relevance. An interactive Q&A session followed the presentations.

Outcomes and Key Takeaways

Trainees gained first-hand experience in creating and applying educational aids. They realized that effective teaching can be achieved economically through creative use of low-cost materials. The workshop fostered creativity, innovation, and self-reliance in the teaching process. Many participants expressed readiness to incorporate these self-made aids into their practice lessons.

Remarks from Dignitaries

Principal Dr. Vishnu Shikhare stated, “For quality teaching, teachers must possess a rich repertoire of creative teaching aids. This workshop will prove highly beneficial in that regard.” Mr. Pandurang Jadhav inspired the trainees with the principle of “More impact with fewer resources.”

Conclusion

Workshop became a milestone in the professional growth of B.Ed. trainees, combining theoretical knowledge with practical skill-building. Participants pledged to apply the newly acquired skills in their practice teaching. Teachers, trainees, and guests expressed satisfaction with the successful conduct of the workshop. Thus, the “Educational Teaching-Aid Making Workshop” held on 22 July 2025 stood out as a unique blend of learning and practical experience, setting a new direction for the academic initiatives of the College of Education, Barshi.
